

Chippewa Backpack Blessings

2025-26

Chippewa Local School District and Doylestown Community Food Cupboard are working as partners to provide a program called Backpack Blessings. The program offers eligible students the opportunity to receive a bag filled with nutritious snacks every Wednesday to take home for the weekend. This program is free.

Bags are packed by volunteers at the Food Cupboard and distributed discreetly every Wednesday. We will begin Wednesday, September 17th and continue through the school year. If you believe your child(ren) could benefit from this program, we encourage you to **sign up by filling out the form below and returning it as soon as possible to the school office.**

Only one form is needed for all the children in your family, but please include information for each child in the form below. Siblings not yet in school may also be included. This information is kept confidential.
