By signing this Master Authorization for Treasury Management Services, the Company accepts the General Terms and Conditions of the Treasury Management Services Agreement (the "Agreement"), the terms and conditions outlined for each Service that Company has selected in the Master Authorization Service Matrix, and the Business Online and Bill Pay Access Agreement ("BOL"). If Company has already executed an Agreement and/or a Master Authorization Service Matrix previously, or any other document requesting treasury management services, then Company hereby confirms its acceptance of the terms and conditions for the Services it is currently using, and hereby accepts the terms and conditions for each additional Service indicated in the Master Authorization Service Matrix. *Moreover, your use of any Service constitutes your acceptance of the terms and conditions for that Service.*

Business Security Suite: We have available certain products designed to discover or prevent unauthorized transactions, including unauthorized checks and ACH debits, forgeries, and alterations (Business Security Suite includes check positive pay, reverse positive pay, teller block, check block, ACH positive pay and wire block). While no such product is foolproof, we believe that the products we offer will reduce the risk of loss to you from fraud.

Business customers are responsible to discover and/or prevent unauthorized transactions. You agree that if your account is eligible for products which are designed to discover or prevent unauthorized transactions and you choose not to avail yourself of them, then we will have no liability for any transaction that occurs on your account that those products were designed to discover and/or prevent, nor will we have any duty to re-credit your account for any such losses. Please know that utilizing Business Security Suite does not prevent all losses. Huntington is responsible to act in good faith and with ordinary care, which does not include reviewing each transaction individually or insuring that you have no losses.

Huntington also recommends that all customers initiating Payment Orders use the following Security Procedure(s) based on the type of payment and method of submission:

Payment Center (submit via Digital Tool): Two unique User IDs assigned to two unique users. User ID #1 used to enter the payment request and User ID #2 subsequently used to approve the Payment Order request.

Integrated Payables: Two unique User IDs assigned to two unique Administrative Users who can approve batches (Company Program Administrator or Administrative User with Final Approver permission). User ID #1 used to enter the payment request and User ID #2 subsequently used to approve the request.

Payment Center (submit via Payments Automation/File Transmission): Payments Automation ID used to submit a payment request via direct file transmission and a unique User ID assigned to a human user used to subsequently approve each payment via the Payment Center online application.

Direct ACH File Transmission: ACH File Control Totals submitted via Direct ACH File Manager accessed via online application or by separate file transmission.

Phone-In Wire Transfer (using PIN): Two unique PINs assigned to two unique callers: PIN #1 used to phone in the wire request and PIN #2 subsequently used to approve the request.

If you decline these Huntington recommendations, please understand that you will be solely responsible to design and implement verification methods prior to submitting Payment Orders to Huntington via Huntington-provided applications or direct transmission. Therefore, Company acknowledges their authentication responsibility for Payment Orders manually input into or transmitted to a Huntington system. Huntington will be responsible for processing the Payment Order as received.

The undersigned hereby represents and warrants that he/she is authorized to execute this Master Authorization for Treasury Management Services on behalf of the Company and all entities referenced on the attached Master Authorization Service Matrix.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Huntington Treasury Management (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Exhibit 2

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Huntington Treasury Management:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: TreasuryManagementDocs@huntington.com

To advise Huntington Treasury Management of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at TreasuryManagementDocs@huntington.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Huntington Treasury Management

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to TreasuryManagementDocs@huntington.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

Exhibit 2

ii. send us an email to TreasuryManagementDocs@huntington.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
